

# Visit of CNRS (Tokyo Office) at Okayama University - MULTIDIM Kick-Off (**Th-22nd-September-2022**)

CNRS Tokyo Office guests :

**Jacques MALEVAL**, Head of the CNRS Office and  
**Clement DUPUIS** International cooperation officer.

Arrive at Okayama on **Wed-21st evening**

## Morning of Thursday **22nd of September 2022**

**Program/ Meeting Room of Okayama University Incubator - A plan is provided at the end of the Programme**

### International Research @ Okayama University

**For details about each Project visit <https://chenevier-ura-okayama-univ.com>**

Start-9:00

Dr. B. CHENEVIER - 15mn

International Research @ Okayama University

Chairman - Dr. B. CHENEVIER

9:20 GR-1: Pr. Zeynep YUCEL - Dynamics of Social interactions with robots

#### Speakers:

a - Pr. Z. YUCEL (**Turkey** - Oka-Dai) - 10mn

"Dynamics of Social interactions with robots"

b - Adrien GREGORJ, Okayama University Ph-D student (ENSIMAG **Grenoble France**) -- 10mn:

"Understanding crowds motion dynamics from computer modelling: from purely kinematic to "socialized" particles"  
- Applications to path planning of autonomously navigating agents (robots)

9:40 GR-2: Pr. Naoko MATSUMOTO Head of BE-ARCHAEO @ Okayama University

"Center for the Dynamics of Civilisations" - Main Features

MSCA-HORIZON-2020 - BE-ARCHAEO

#### Speakers:

a - Dr. Joseph RYAN (**USA** - Oka-Dai)

=> "Center for the Dynamics of Civilisations" - Main Features BE-ARCHAEO

b - Vittorio LAURO (**Italy**)

AI + Virtual Reality for Archaeology - Video

10:10 GR-3: Pr. H. ISHINO Head of CMB-INFLATE @ Okayama University

#### Speakers:

a - Pr. Hirokazu ISHINO

"Cosmology at Okayama University" - Main Features

b - Pr. Samantha STEVER **USA** (On-Line from Saclay - France)

MSCA-HORIZON-EUROPE- CMB-INFLATE

10:30 - 10:40 Break

10:40 - 10:55 GR-4 Dong KIM **S Korea** - Head of HESPRI @ Okayama University

#### Speaker

Pr. D. KIM

HESPRI: European Project focused on Public Policies for Higher Education

11:00 - 11:15 Lab. tour / **Clean room of Tsushima Incubator** -

Pr. TAKARABE and T. HITOMI from Minori Industry

Introduction of Pr. Matsuo's group activities -

"OURep - Artificial retina and optic nerve for medical treatments"

Clean Room activities

11:15 - Leave to Presidency Office

11:30 - 12:00 Meeting with Pr. MAKINO - President and Pr. NASU - VP of Research - 30 mn  
Participants: CNRS (X2), BIANCO, NISHINA, UNEYAMA, KATO (Nishina), CHENEVIER  
CNRS - Introduction by J. MALEVAL

12:40 - Lunch - J-Terrace

**Afternoon Thursday --- 22nd  
from 14:00**

**MULTIDIM Kick-Off meeting**

Room --- Incubator meeting room - Tsushima Campus

Guests

**MALEVAL - Head of CNRS Office in Tokyo**  
**DUPUIS - CNRS bureau in Tokyo**  
**NASU - VP of Research at Okayama University**

BIANCO (MULTIDIM coordinator)

NISHINA

CHENEVIER

UNEYAMA

TAKASHIBA

OHARA

**Programme - Talks** Chair - Dr. B. Chenevier

**14:00 Intro: J. Maleval (5mn), T. Nasu (5mn)**

15 mn allowed for each talk

Alberto BIANCO (CNRS - Strasbourg)  
MULTIDIM - Introduction and Main Features

Yuta NISHINA  
MULTIDIM - Advances

Shogo TAKASHIBA  
MULTIDIM - Breakthroughs in inflammatory odontology diseases

Toshiaki OHARA  
MULTIDIM - A novel mechanical compression system for biomass: application for biofuels and anti-virus materials

Pilar FERRE-PUJOL (Spain - Assistant Pr. Oka-Dai) - NISHINA's group  
Virus capture using Graphene Oxide materials - Links with MULTIDIM

**Signature of MULTIDIM agreement**

**Visit of Nishina's lab.**

Dinner from 17:30 - Organised by Pr. NISHINA - **Ryoutei** Restaurant (next to Okayama station)  
Tokyo's guests return on **Fri-23rd morning**

## Location of the "Incubator" - Red tag
